Sponsors are a critical part of Converge’s annual Ignite Conference. Every year, hundreds of pastors and leaders come together to learn how to strengthen their ministry and are inspired to grow the Kingdom. Since 2010, Converge has helped to plant over 250 churches and is on track to plant hundreds more. Organizations who sponsor Ignite gain access to hundreds of pastors, church staff and leaders all looking to grow, strengthen, and build their ministry. Over the years, Ignite has partnered with incredible businesses both small and large.
